*Welcome to Cantalini's Express:*  
Cucina Della Nonna  
"My Grandmother's Kitchen"

We hope you enjoy our wide variety of Homestyle Italian dishes and hand-tossed pizzas. While some of our recipes are influenced by other regions, the majority of our dishes have been handed down for generations. We pride ourselves in using only the highest quality ingredients, prepared fresh and cooked to order.

A little history...I'm a California native raised by my Italian Grandparents. My Grandmother, Anna Cantalini, came to America from Abruzzi, Italy and settled in the Boston area where she married my Grandfather, Giovanni DiGregorio... the rest, as they say, is history.

I spent my youth watching my Grandmother in the kitchen. She made everything by hand, fresh from our garden - simple, delicious food that was made with love. My Grandmother always told me, "there is no recipe - if you cook from your heart, everything will taste just right."

At Cantalini's, I have worked hard to keep these simple family traditions alive at our Restaurant in Playa Del Rey, and I am so proud of our Mar Vista location.

Just like the Playa Del Rey restaurant, you will find homemade pastas like our signature Ravioli and Gnocchi, New York style Pizzas, garden fresh Soups and Salads along with our delicious Desserts. This location is Take-out and Delivery only and features a full-service catering department. It is our pleasure to serve you. Let us do the cooking - Mangia!
